READINESS

MND-N is under the operational command of Supreme Allied Commander Europe (SACEUR)

MND-N is a forward-deployed formation serving as NATO's land force in Latvia

LOCATIONS

Ādaži, Latvia & Slagelse, Denmark

“Multinational Division North will defend and if necessary, defeat aggression within assigned area of responsibility”

MND-N plans, coordinates, and commands large-scale land operations within its area of responsibility, including intelligence, logistics, and fire support functions. It controls multiple brigades and integrates multinational forces to operate together effectively, typically comprising 10,000–20,000 personnel from different Allied countries

TASKS

- Maintain and disseminate situational awareness
- Plan and command military operations in the Division's Area of Responsibility
- Command and control assigned forces
- Conduct vigilance activities
- Conduct training and exercises

**MULTINATIONAL
DIVISION
NORTH**

ASSIGNED AND AFFILIATED FORCES TO MND-N

- *Latvian Mechanized Infantry Brigade (LVA MI Bde)*
- *Multinational Brigade Latvia (MNB-LVA)*
- *National Guard 2nd "Vidzeme" Bde (NG 2nd Bde)*
- *National Guard 3rd "Latgale" Bde (NG 3rd Bde)*
- *1st Danish Brigade (1 DNK Bde)*
- *Multinational Command Support Battalion (CSBn)*

Demonstrating NATO's will and ability to defend the Baltic Sea Region, Multinational Division North (MND-N) was established in 2019

"We are ready, lethal, and determined to act and win decisively - staying ahead of threats, protecting Latvia, and continuously strengthening our ability to defend today and tomorrow"
